APRIL - \$31.00

TEACHING GOD'S TITHING PRINCIPLES

Urgent Prayer Request: I will travel to Nigeria May 9-23 to be one of the speakers at the AG Nigeria *International Church Growth and Missions Conference*. It is estimated that 6,000 pastors and leaders will be present. This is an incredible opportunity to present Africa Financial Empowerment and to inspire greater sacrificial missional giving to reach the nations. I desperately need the anointing of the Holy Spirit. Pray for *uncommon* generosity for the Nigerian Church during and after the conference.

On January 31st, AFE was officially granted **RECOGNIZED** status by the Africa Assemblies of God Alliance Executive Committee. They deemed AFE as a "significant and helpful ministry" for biblical and financial training for all Assemblies of God churches across the continent.

In February and March we held successful AFE seminars in Harare and Bulawayo Zimbabwe, as well as in Gaborone Botswana. The Zimbabwe

signed for a single local church. In all three seminars, many delegates said this type of teaching was very beneficial and remains a key component for the on-going health of their churches. There have already been requests for us to conduct follow-up seminars in these same areas.

On March 22nd my Mom, Cynthia Krucker, went to be with Jesus. Would you pick up a "mother's mantle of prayer" for us?

Finally we moved into our rental house mid-April and our container from the USA arrived two weeks later. It's a good feeling to be settled...thankful for God's provision...humbled by your confidence in us...excited to share God's Word...acknowledging complete dependence on Him...praying for lasting fruit...and praying for you! Thank you for the part you have in this work.

~ Ken, Merilee and Amanda Krucker

TWO BECOMES THREE

In case you haven't heard, Pierce and Meghan Davis missionaries to Thailand have an added blessing.
